

Community Responsibility Policy

We are a strongly community orientated organisation, and as such, have this document to briefly outline our responsibilities.

Our core responsibilities, in line with our mission statement and the law, are to

- provide performance education and opportunities for local people
- maintain a positive, nurturing environment for those members who wish to perform with us, and for our audiences.

Further more, as is feasible with our time and resources we aim to

Assist community events ideally to mutual benefit in publicity, fund-raising, etc.

Adhere to our environmental and venue/ location policies

Maintain a safe atmosphere for all involved with us

Maintain a duty of care to those working with us, in line with our policies, available on our website

To be easy to contact online, by letter or phone

To be a positive influence in the community

To contribute to a positive atmosphere in the community and to the ongoing well-being of our local community.

To promote excellence in local theatre and film projects.

To respect our local environment
