

South Devon Players

Corporate social responsibility company policy

Policy brief & purpose

Our Corporate Social Responsibility (CSR) company policy refers to our responsibility towards company environment. Our company's existence is part of a bigger network of local people, values, the local community, and other organisations,

We want to give back to the world just as it gives to us.

This policy outlines the company's social responsibility actions.

Scope

This policy applies to the company and its subsidiaries regardless of location. It may also refer to suppliers and partners.

Policy elements

Our organisation aims to be a responsible team that meets the highest standards of ethics and professionalism. It will consider all aspects and interested parties before acting.

Our organisation's social responsibility falls under two categories: compliance and proactiveness. Compliance refers to our company's commitment to legality and willingness to observe ethical community values. Proactiveness is every initiative to promote human rights, help communities and protect our natural environment.

Compliance

Legality

We adhere to legal guidelines for safety and fair dealing. Every partnership and collaboration will be open and transparent. Our organisation is also committed to always honor its internal policies.

Business Ethics

We conduct our activities with integrity and respect to human rights. We establish appropriate policies and procedures to support this which can be downloaded from our website www.southdevonplayers.com on the "about us" tab.

Protecting the environment

Our company recognizes the need to protect the natural environment. Keeping our environment clean and unpolluted is a benefit to all. We'll always follow best practices when disposing garbage and using chemical substances. Stewardship will also play an important role.

Protecting People

We take all measures to ensure that we don't risk the health and safety of our team members and community. We support diversity and help preserve important cultural elements.

Human Rights

Our organisation is dedicated to protecting human rights. It's a committed equal opportunity organisation, and has a dedicated safeguarding officer.

Proactiveness

Our organisation exists completely to promote local arts, and the abilities of local people who wish to develop or showcase skills within theatre, film or associated media. We actively seek to network with other organisations who either may be able to assist our members, or in turn whom we, or a number of our members, can assist.

Supporting the community

Our company may initiate and support community events and local educational projects relating to theatre, film and photography where practicable.
