

Torbay theatre company seeking lovely volunteers

We are seeking lovely volunteers to help with a number of things. Some can be done from home, some in person.

Things we need help with include:

- Fundraising (grant writing, helping with stalls /activities at local events)
- Publicity/ PR (videos, press, leafletting, stalls, ushering)
- Costuming in rehearsals/ shows/ events

Volunteering helps support an awardwinning, non-profit theatre company based in Brixham creating great new theatre shows bringing to life classical literature & history in creative & accessible ways for people of all ages & backgrounds

as well as:

- Developing creative opportunities for local people to become involved in theatre.
- Providing training opportunities & employability for local people to develop professional skills & portfolios for working in theatre & film.
- Social inclusion for people of all backgrounds to get involved in, and /or experience high quality theatre
